

# JACL

Japanese American Citizens League

## Membership Information & Form

With 15,000 members and history of leadership since 1929, becoming a member means joining the nation's oldest, largest, and most experienced Asian American civil rights organization in the fight for justice and equality. *Anyone* of *any* ethnic group is welcomed. ### AND YES! Just by being a member, YOU help us reach our goals to:

- Protect civil and human rights for all
- Advocate for legislation and issues affecting the Japanese American, Asian American, and more communities who face injustice
- Educate and empower youth about community and leadership.
- Responses to hate crimes, racism, defamation, and media stereotyping
- Print and circulate education curriculums about Asian American history for classrooms, workshops, and educators
- AND MORE!

### **Join our HISTORY!**

Our world would not be the way it is without JACL. Imagine living where you can't own land for being Asian? What would the country look like if the 1965 Immigration Law never passed? This finally permitted Asians to immigrate to the United States. Who pushed the 1980s Redress Movement through Congress? Think about the struggles that paved the way for our freedom. Our family histories are deeply intertwined with the JACL. We want you to be a part of it and continue making a movement.

### **Join our COMMUNITY!**

You're joining 15,000 more who believe in equality and justice. Whether through cultural events or educational programs... from the West Coast to the East Coast (and even Japan, Hawaii, and Alaska)... from Japanese American, to Asian American, mixed race, and all ethnic groups... we stand together. Get involved with a local Chapter or a Nation-wide event!

### **YOUR Membership Matters NOW!**
